Crochet pattern - US terms - version 0.1.0

At a glance

FINISHED SIZE	18.3 cm across, 11.1 cm tall at the stated gauge (computed, not yet measured on a worked sample)
DIFFICULTY	confident beginner
CONSTRUCTION	joined rounds
GAUGE	12.5 sts x 13.8 rows = 10 cm in sc
HOOK	5 mm
COLOURS	cream, pine
RELEASED	2026-10-07

How this pattern was made: the design was developed with AI assistance and every stitch count in it was verified by an automated pattern compiler before release, row by row. The charts in this document are generated directly from the same verified data as the written instructions, so the two cannot disagree.

Materials

PINE	worsted cotton (worsted), colourway pine
CREAM	worsted cotton (worsted), colourway cream
HOOK	5 mm, or whatever hook gets you the gauge below
TAPESTRY NEEDLE	blunt, with an eye big enough for your yarn, for weaving in the ends

How much yarn

CREAM	about 34-51 m (37-56 yd)
PINE	about 25-38 m (27-41 yd)

These quantities are estimates with a +/-20% range, not measurements. Yarn consumption genuinely varies with yarn, hook and tension, so buy a little more than the top of the range if your dye lot matters to you.

Gauge, and why it matters here

Work a swatch before you start. The finished size above is computed from the gauge above; if your gauge differs, your finished piece will differ by the same proportion. The stitch counts in this pattern are correct at any gauge -- only the measurements change.

SWATCH ROW GAUGE	13.8 rows = 10 cm in sc
THIS FABRIC	about 11 rows = 10 cm

Those two numbers are both right and they are not the same number. The swatch gauge is measured over plain sc; this pattern is worked in taller stitches as well, so its rows stack up faster. Check your stitches across against the swatch gauge, and check your rows against the measurements in 'Checking your progress' below, which are the fabric's own.

Checking your progress

At these rounds the piece should measure roughly this much. If it does not, the difference is gauge, and it is easier to fix now than at round 24.

ROUND 1 OF 24	6 stitches around, about 2 cm across, still flat
ROUND 6 OF 24	36 stitches around, about 9 cm across, still flat
ROUND 12 OF 24	72 stitches around, about 18 cm across, still flat
ROUND 18 OF 24	72 stitches around, about 18 cm across and 6 cm tall
ROUND 24 OF 24	72 stitches around, about 18 cm across and 11 cm tall

Substituting the yarn

Gauge decides this, not the name on the band. Any of these can be worked to this fabric: light (also called dk), medium (also called worsted). Swatch and change hook until your gauge matches -- the gauge is what makes the finished size come out.

IF YOU USE LIGHT about 85 m in total (1-1 x 100g balls); the finished piece will be lighter and more open

Those metres are this pattern's own estimate plus 15%. Buying exactly enough is how a project ends one row short in a dye lot that has gone. Changing fibre as well -- cotton for acrylic, say -- changes how much yarn each stitch takes by an amount that has to be measured on a swatch, not read off a table.

Abbreviations

This pattern is written in US terms. Every abbreviation it uses is below; nothing in the instructions is left to be looked up elsewhere.

ch	chain
dc	double crochet
inc	single crochet increase
sc	single crochet
slst	slip stitch

How to read a row

[...] x 4	work everything inside the brackets, in order, four times in a row
(120 sts)	the stitch count that row should end on. Count it: this is the number every later row depends on
st / sts	stitch / stitches
magic ring	an adjustable loop of yarn worked into and then pulled tight, so the round closes with no hole at the centre
Rnd	round -- worked around the piece rather than in turned rows. How each round is started and finished is stated once, at the top of the instructions

Rnd 24 (pine): slst in next 72 sts. (72 sts) -- a slip-stitch edge round for the rim

Finishing

Fasten off and weave in all ends on the wrong side. Thread each end through at least 5 cm of stitches, then back through a few in the opposite direction, so it cannot work loose in wear or washing.

This pattern uses 2 colours, so there is an end to secure at every join and every change.

Colour changes: all 9 changes fall at the join, where the colour not in use is resting, so carry it loosely up the inside of the join rather than cutting it. Ends to weave in: about 4.

Do not block this piece flat. It is worked in the round and pressing it out would crease the wall: damp-finish it standing up, easing it to the stated measurements with your hands and letting it dry in its own shape, stuffed lightly with a towel if it needs help standing.

Check the ball band before blocking with heat or water. Fibres behave differently and yours is the one in your hands.

Chart

This piece is worked in the round, so the chart is drawn as rounds: round 1 at the centre, each ring outward one round. Count the wedges in a ring and you get the stitch count in the written line for that round, because both come from the same verified data. It shows rounds 1 to 12, which are the rounds that shape the piece. Rounds 13 to 24 are then worked straight at 72 stitches with no increases. Drawing them would add 12 identical rings and shrink every ring in this chart, so the chart stops at round 12. They are worked in pine except rounds 15 and 17 and 19 and 21 in cream, and the written instructions give the colour of every round. V marks an increase.

Housewarming Key Basket - basket

Round 1 is the centre. Every round is worked in the same direction. V marks an increase.

STITCH KEY

F	dc	double crochet	(UK treble crochet)
V	inc	single crochet increase	(UK double crochet increase)
x	sc	single crochet	(UK double crochet)
.	slst	slip stitch	(UK slip stitch)

COLOUR KEY

B	B	cream	#FAF6EB
A	A	pine	#244A3A

Each round number on the chart carries its yarn's letter, where that whole round is worked in one colour, so the chart can be read without relying on colour.

Chart symbols

A round chart marks where the stitch count changes rather than every stitch, so these are the marks it carries. Every other stitch in the round is the plain stitch the written line names.

V inc single crochet increase

The same key is drawn in the image above, and every stitch in it is also defined under Abbreviations, earlier in this document.

Colours

Every round this chart shows is worked in one colour, so no number on it carries a colour letter. The written instructions name the yarn for every row and round in the pattern.

pine #244A3A
cream #FAF6EB

Terms and support

What you may do with this pattern

- for the buyer's own use, and to teach from in a class where each participant has their own copy
- finished items may be sold by individual makers and small businesses, not manufactured at scale
- the pattern file, its charts and its photographs may not be shared, resold, uploaded or included in another publication
- questions are answered through the shop the pattern was bought from, against the exact version that was bought
- corrections and revisions are free forever, and buyers are told when the version they own changes

These are the terms Brambleloop offers; they have not yet been through legal review.

If anything in this pattern does not add up, tell us through the shop you bought it from and we will fix the pattern itself, not just answer your question. Every report is checked against the compiler that validated this release.

What support covers: the size this pattern states, worked in medium weight yarn at the stated gauge, with the stitches, colour order and construction as written. Outside support: a different yarn weight or gauge, resizing to a size not listed, changing the stitch pattern, the construction or the number of pieces, and adding or removing shaping. We will explain how the pattern works, but we cannot check numbers this release did not validate.
