BRAMBLELOOP STUDIO

Hexagon Coaster Set

Crochet pattern - US terms - version 1.2.0

At a glance

FINISHED SIZE	hexagon, 9.7 cm across the points, 8.4 cm across the flats at the stated gauge (computed, not yet measured on a worked sample)
DIFFICULTY	confident beginner
CONSTRUCTION	joined rounds
GAUGE	14.5 sts x 16.0 rows = 10 cm in sc
HOOK	5 mm
COLOURS	cream, wine
RELEASED	2026-10-07

How this pattern was made: this design was created with AI assistance, and every row's stitch count was checked before release. The charts in this document are drawn from the same pattern as the written instructions, so the two agree.

Materials

CREAM	dk cotton (dk), colourway cream
WINE	dk cotton (dk), colourway wine
HOOK	5 mm, or whatever hook gets you the gauge below
TAPESTRY NEEDLE	blunt, with an eye big enough for your yarn, for weaving in the ends
BLOCKING PINS AND A SURFACE	for pinning the piece out damp to the finished measurements

How much yarn

CREAM	about 18-27 m (20-30 yd)
WINE	about 5-7 m (5-8 yd)

These quantities are estimates with a +/-20% range, not measurements. Yarn consumption genuinely varies with yarn, hook and tension, so buy a little more than the top of the range if your dye lot matters to you.

Gauge, and why it matters here

Work a swatch before you start. The finished size above is computed from the gauge above; if your gauge differs, your finished piece will differ by the same proportion. The stitch counts in this pattern are correct at any gauge -- only the measurements change.

This piece is worked in the round and every round grows it outward rather than upward, so there is no row gauge to check it against: the 14.5 stitches to 10 cm in sc is what sets how wide it comes out. Check the measurement across against 'Checking your progress' below.

Checking your progress

At these rounds the piece should measure roughly this much. If it does not, the difference is gauge, and it is easier to fix now than at round 7.

ROUND 1 OF 7	6 stitches around, about 1 cm across the points, still flat
ROUND 3 OF 7	18 stitches around, about 4 cm across the points, still flat
ROUND 5 OF 7	30 stitches around, about 7 cm across the points, still flat
ROUND 7 OF 7	42 stitches around, about 10 cm across the points, still flat

Substituting the yarn

Gauge decides this, not the name on the band. Any of these can be worked to this fabric: light (also called dk). Swatch and change hook until your gauge matches -- the gauge is what makes the finished size come out.

Those metres are this pattern's own estimate plus 15%. Buying exactly enough is how a project ends one row short in a dye lot that has gone. Changing fibre as well -- cotton for acrylic, say -- changes how much yarn each stitch takes by an amount that has to be measured on a swatch, not read off a table.

Abbreviations

This pattern is written in US terms. Every abbreviation it uses is below; nothing in the instructions is left to be looked up elsewhere.

ch	chain
inc	single crochet increase
sc	single crochet
sl st	slip stitch

How to read a row

[...] x 4	work everything inside the brackets, in order, four times in a row
(120 sts)	the stitch count that row should end on. Count it: this is the number every later row depends on
st / sts	stitch / stitches
magic ring	an adjustable loop of yarn worked into and then pulled tight, so the round closes with no hole at the centre
Rnd	round -- worked around the piece rather than in turned rows. How each round is started and finished is stated once, at the top of the instructions

Instructions (US terms)

Hexagon Coaster Set
Version 1.2.0

Gauge: 14.5 sts x 16.0 rows = 10cm in sc, 5.0mm hook
Materials: dk cotton (cream); dk cotton (wine)
Terminology: US terms

coaster (make 4)

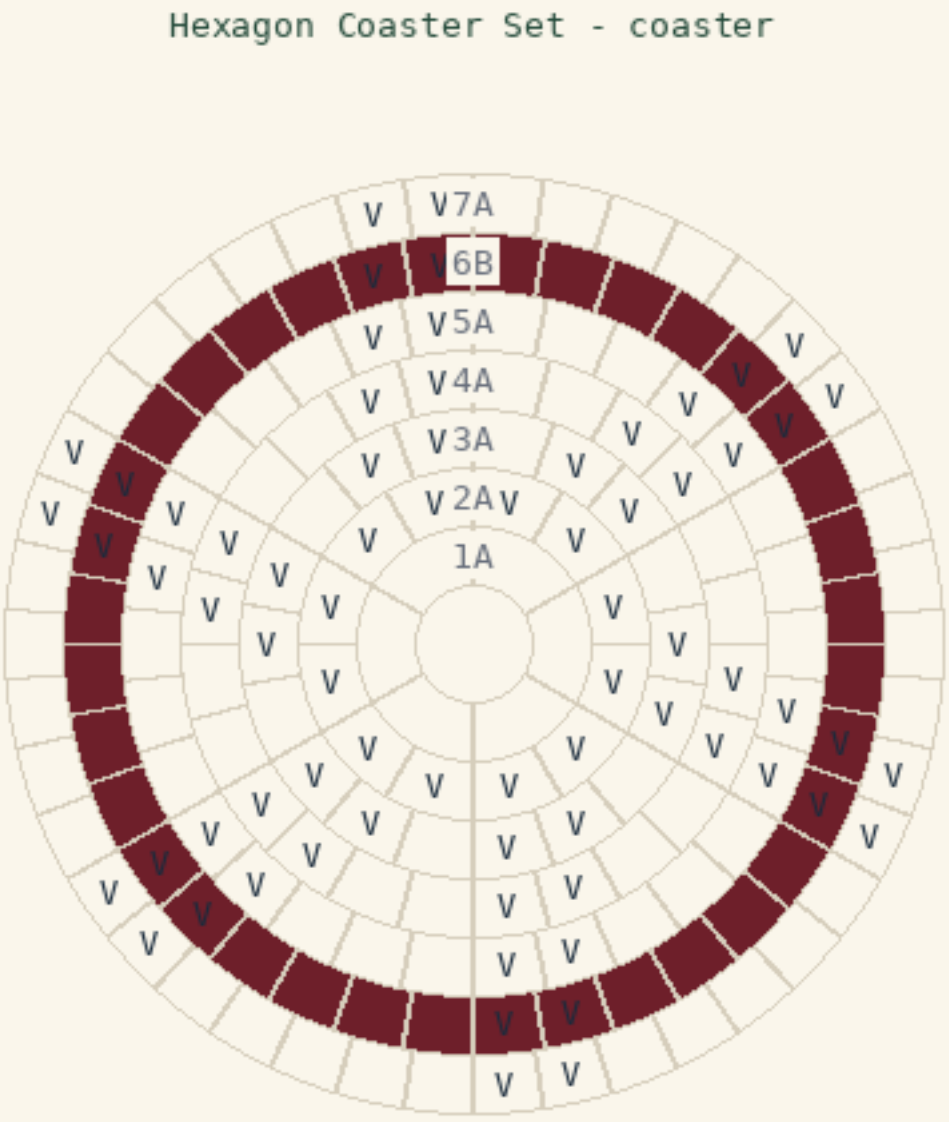

Join each round with a sl st to the first stitch, then ch 1 to begin the next round.
Rnd 1 (cream): 6 sc in magic ring. (6 sts)
Rnd 2 (cream): [inc in next st] x 6. (12 sts)
Rnd 3 (cream): [sc in next st, inc in next st] x 6. (18 sts)
Rnd 4 (cream): [sc in next 2 sts, inc in next st] x 6. (24 sts)
Rnd 5 (cream): [sc in next 3 sts, inc in next st] x 6. (30 sts)
Rnd 6 (wine): [sc in next 4 sts, inc in next st] x 6. (36 sts)
Rnd 7 (cream): [sc in next 5 sts, inc in next st] x 6. (42 sts)

Finishing

Fasten off and weave in all ends on the wrong side. Thread each end through at least 5 cm of stitches, then back through a few in the opposite direction, so it cannot work loose in wear or washing.
This pattern uses 2 colours, so there is an end to secure at every join and every change.
Colour changes: all 2 changes fall at the join, where the colour not in use is resting, so carry it loosely up the inside of the join rather than cutting it. Ends to weave in: about 4.
Block each piece to 9.7 cm across the points and 8.4 cm across the flats, keeping the 6 corners where the stacked increases put them: pin it out damp, easing rather than stretching, and leave it to dry flat. Those are the dimensions this pattern's gauge produces.
Check the ball band before blocking with heat or water. Fibres behave differently and yours is the one in your hands.

Chart

This piece is worked in the round, so the chart is drawn as rounds: round 1 at the centre, each ring outward one round. Count the wedges in a ring and you get the stitch count in the written line for that round, because both come from the same verified data. V marks an increase.

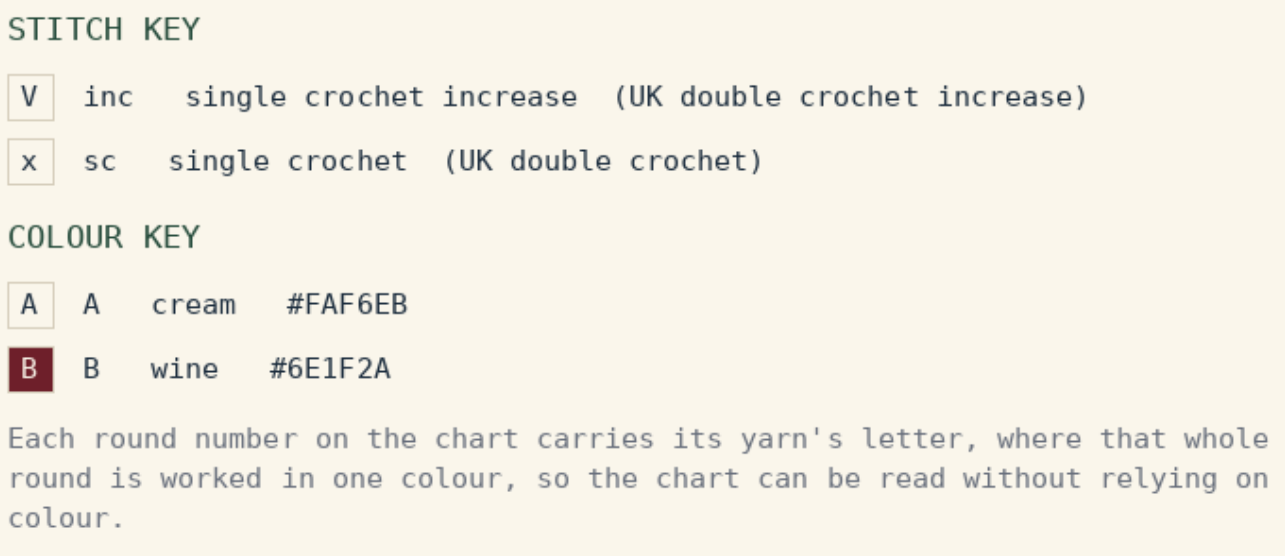

Chart symbols

A round chart marks where the stitch count changes rather than every stitch, so these are the marks it carries. Every other stitch in the round is the plain stitch the written line names.

V	inc single crochet increase

The same key is drawn in the image above, and every stitch in it is also defined under Abbreviations, earlier in this document.

Colour key

Each round number on the chart carries its yarn's letter, where that whole round is worked in one colour, so the chart can be read without relying on colour.

A	cream #FAF6EB
B	wine #6E1F2A

Terms and support

What you may do with this pattern

- for the buyer's own use, and to teach from in a class where each participant has their own copy
- finished items may be sold by individual makers and small businesses, not manufactured at scale
- the pattern file, its charts and its images may not be shared, resold, uploaded or included in another publication
- questions are answered through the shop the pattern was bought from, against the exact version that was bought
- corrections are free: a corrected pattern replaces the old file, and anyone who bought an earlier version can ask for the corrected one at any time

These are the terms Brambleloop offers; they have not yet been through legal review.

If anything in this pattern does not add up, tell us through the shop you bought it from and we will fix the pattern itself, not just answer your question. Every report is checked against the compiler that validated this release.

What support covers: the size this pattern states, worked in light weight yarn at the stated gauge, with the stitches, colour order and construction as written. Outside support: a different yarn weight or gauge, resizing to a size not listed, changing the stitch pattern, the construction or the number of pieces, and adding or removing shaping. We will explain how the pattern works, but we cannot check numbers this release did not validate.
